Trans-Expedite Inc Announces Opening of New Office

August 30, 2007 (El Paso, TX) - Trans-Expedite Inc., an El Paso freight forwarding company, is opening its second location in San Antonio, Texas next week, announced Keeli Jernigan, president of the corporation. Headquartered at 7 Founders Boulevard near El Paso International Airport, Trans-Expedite specializes in shipping and logistics services for freight management.

Jernigan founded the company six years ago with her husband Mark Jernigan, CEO. It has grown from a small operation with four employees to a multi-million dollar business with 47 employees and expanded facilities.

“We have worked extremely hard to grow our business and offer personal, specialized care to our customers worldwide. We look forward to continued growth, while maintaining headquarters in El Paso,” Jernigan said.
