El Paso, TX, Sept 2013 – Trans-Expedite, Inc. is a leader in time sensitive transportation and logistics solutions. Trans-Expedite was awarded the Best Diverse Supplier Award for Cisco Systems at this years Supplier Appreciation event in San Jose, CA. Cisco has over 12,000 suppliers and only 200 are invited to this event. Trans-Expedite was one of 18 suppliers given an award at this event.

To be recognized as such is an honor.”

They have demonstrated their willingness to accept new challenges and have gone above and beyond to support Cisco's evolving, long-term logistics strategies.
